

Staying Positive Society: Terms & Conditions

Here are the Terms & Conditions to which you are agreeing when you become a "**Staying Positive (in a Freaked-Out World) Society**" member:

By clicking through to join the **Staying Positive Society**, I acknowledge and accept the following "Terms & Conditions":

- I understand that I will have access to all member benefits during the period of my "**Staying Positive (in a Freaked-Out World) Society**" yearly membership.
- I agree to have my credit card charged every 365 days beginning on the day that I join since I am a yearly member. The credit card charge will show "Emphasis on Excellence, Inc."
- I know that if I ever want to change my membership from yearly to monthly or if I choose to discontinue my membership in the "**Staying Positive Society**," I will notify Meggin's productivity assistant, Lisa, at lisa@meggin.com at least 3 business days prior to the date my credit card will be charged.
- Individual yearly membership for members is currently \$99.95/year - and I know I will receive weekly content and support; materials to use personally or to share with others, thereby exhibiting my leadership; and invitations to members-only events. As long as I remain a member, with uninterrupted membership, I will continue to pay this amount, regardless of whether the dues have increased, as long as the Staying Positive Society exists.
- I know that my membership is not transferrable to another person, although others are welcome to join by going to <http://www.StayingPositiveinaFreakedOutWorld.com>.
